[www.naturalbeautysalon.net](http://www.naturalbeautysalon.net)

Hi Everyone, its that time again.

Well the school holidays are nearly over and where did those 6 weeks go?. It still shocks me every year. So, what's the gossip & what's been going on, well for me its been working & trying to get time with the family as I'm sure it has been the same with you.

On the work front the Spray Tan Booth is still not here yet, we are waiting with bated breath!!

The new room isn't quite open but will be over the next week or so.

There will be a new price list soon, with fab new treatments & new packages, the old packages will go except for the Mini Treat & the Mini Male Treat - look out for the new ones, some of you have seen them before, they have been very popular due to the type of treatments and the value is even better now.

We have loads of new fabulous products as we approach the new season, which happens to be my favorite, I love Autumn all those colours, crisp mornings - but not too nippy, it's a lovely time of year. Well hope you enjoy this edition *Thanks Davina*

## Product Of The Month

I am really pleased to be able to offer **Mini Skin Care Sets** again, as most of you know, before we changed to Germaine De Cappuccini last November we always used to have mini sets in stock for retail at just £19.

Well Germaine De Cappuccini do have mini sets, so we have stocked up for you. They come in quite a few ranges but unfortunately not all, however we really do have something for everyone.

Why mini sets, well they are great to take on holiday so that you don't need to decant into smaller bottles if going aboard, or take full sizes. They are also a great cost effective way of purchasing the range to try it at home without spending out on full price product. What a great little gift for someone too, even if your not quite sure of skin type we can recommend a suitable little prezzy for you.

They come in the following sets

- **Men's Range** - containing Supreme Shave 15ml, Post shave Comfort 10ml, & Anti Fatigue Serum 10ml. **Cost is just £7.00 & its worth £16**
- **Strategist Refine, Re – Texturing Renewal Kit** - containing, Micro – Exfoliating Re- Texturing cream 15ml & Deeply Clarifying Revitalising Cream SPF 12 15ml. (Deep exfoliating set) **cost just £7.00 & its worth £23.**
- **Timexpert Lift** - containing, Instant Lift Firming Concentrate 10ml & Perfect Volume Facial Emulsion 10ml. **Cost is just £7.00 & its worth £24**
- **Timexpert Lines & Wrinkles set** - containing Total Comfort Cleanser 50ml, Total Comfort Toner 50ml, Timexpert Lines & Wrinkles Intensive Correcting Serum 10ml, Timexpert L & W Wrinkle Correcting Treatment Cream Moisturiser. **Cost is only £15.00 & its worth a massive £49.00** (even I'm shocked at these ones the value is just amazing)
- **So Delicate Set** - (for the most sensitive of skin types) - containing High Tolerance Cleanser 50ml, High Tolerance Toner 50ml, SOS Desensitising Serum 10ml & Tolerance Rich Care Moisturizer. **Cost is just £15.00 & its worth a huge £40.00**
- **Pearl Sensation** - My Favourite & a great set for anyone - contains Total Comfport Cleanser 50ml, Total Comfort Toner 50ml, Exceptional Multi Perfection Cream Moisturiser 10ml & Sublime Firming Care Body Lotion - containing micro pearls. Just gorgeous!!! **Cost is just £15.00 & worth a huge £45.00**

Dare I say the stocking filler word, (ahh sorry) but these lovely sets do fit the bill, **low cost, huge value & top quality products!!!**

## Back 2 School Package

This one is back to stay, so at any time your little darlings go back to school & you need some well deserved pampering, then this one is for you, & is always available.

This Package includes **all** of the following for **just £40**

## Staff News

Well Leanne will be leaving us this month to go on maternity leave, she is taking some holiday, then officially on maternity in October as she isn't due for her little bundle of joy till November. So good luck from all of us Leanne, I look forward to our newest Natural Beauty Babe Soon hahaha.

Also Laura (on the right) as you know was 21 last month. There was a great party to celebrate the occasion and a great time was had by all, the party was a joint party between Laura & her friend, they decided on a PINK PARTY and raised £180.02 towards Breast Cancer Care. 'Well done girls what a great result from a great night'

## New Product News
